

## **EAGLE'S WINGS**

**(Music and lyrics Vanessa Craven2011)**

**I am a sky-bird,  
My wings span the skies,  
I see beyond the horizon,  
I can see the earth move,  
I can see the earth move.**

**(Bridge)  
Lonely bird,  
In a lonely sky,  
I can hear your every sigh**

**I am the golden one,  
Lord of the skies,  
See my warm breast i  
In the setting sun,  
In the setting sun.**

**I am a free bird,  
My wings span the skies,  
I see beyond the horizon,  
I can see you too,  
I can see you too.**
