

ONE LAST SHOT

(Music and Lyrics Vanessa Craven 2009)

Music intro.

Refrain

Dust to dust, and ashes to ashes,
Red dust flyin', cattle are dyin',
Kites are flyin', women are cryin',
No use, no use in tryin'!

Verse 1.

Murray River's dried up,
I just can't keep up,
Payin' the bank,
On an empty tank!

Refrain

Verse 2

The Sun is boiling hot,
There's no food in the pot,
Got a spare bullet
For one last shot!

Refrain

Verse 3

There is hell to pay,
I just can't stay.
Gonna to walk of the land,
Bury myself, in the hot burning sand!

Music interlude harmonica/dobro)

Verse 4

The wheel of God's been turnin',
Grindin' us to sand!
Red dust flyin',
Cattle are dyin',
Children are starvin'!
Ain't no use in tryin'
Ain't no use in tryin'
No more!
